NAVY HOSPITAL FUND.

COMMUNICATED TO THE HOUSE OF REPRESENTATIVES, JANUARY 9, 1823.

NAVY DEPARTMENT, *January 6, 1823.*

SIR:

In compliance with the resolution of the House of Representatives of the 20th December last, the Commissioners of Naval Hospitals have the honor to report a statement from the Fourth Auditor of the Treasury, showing the amount of the sums due the Naval Hospital Fund, and the balance of that fund which remains to be applied in conformity to the provisions of the act of the 26th of February, 1811, entitled "An act establishing naval hospitals."

For further information relative to the state of this fund, the commissioners beg leave to refer to their report of the 21st of December, 1821, and the several reports therein mentioned.

Since the statement made by the Fourth Auditor, accompanying this report, the sum of \$24,131 40, being the amount accruing to this fund from the 1st day of October, 1821, to the 30th day of September, 1822, has been drawn from the appropriation of the pay of the navy and marine corps and carried to the credit of the Hospital Fund, which leaves in the hands of the commissioners \$43,335 87, to be applied according to the provisions of the act of 1811.

Agents have been employed to examine and select suitable sites for hospitals. Their report has not yet been received, and the commissioners cannot say with certainty what has been done on the subject; it is however, believed that during the present year they will be enabled to purchase several sites and commence the buildings necessary for the establishments. The progress, however, must necessarily be slow, for the want of funds. Had the commissioners the whole amount due the Hospital Fund placed at their disposal, they would soon be enabled in a great measure to carry into effect the wise and humane objects contemplated in the act of 1811. As this sum has been absorbed in the pay of the navy, and the annual appropriation for that purpose thereby diminished, it is respectfully submitted to the consideration of the House, whether justice does not require that this fund should be made good, and applied without delay to the establishment of naval hospitals.

All which is respectfully submitted.

SMITH THOMPSON, *Secretary of the Navy.*
WILLIAM H. CRAWFORD, *Secretary of the Treasury.*
J. C. CALHOUN, *Secretary of War.*

No. 220.

[2d SESSION.]

NUMBER AND GRADE OF OFFICERS NECESSARY TO COMMAND VESSELS BELONGING TO THE NAVY.

COMMUNICATED TO THE HOUSE OF REPRESENTATIVES, JANUARY 13, 1823.

NAVY DEPARTMENT, January 10, 1823.

SIR:

In compliance with a resolution of the House of Representatives, passed on the 30th ultimo, requiring a statement "containing the names and grade of the officers belonging to the naval establishment of the United States, and the duties each is performing, also the number of officers of each different grade necessary to command, in active service, the vessels of war at this time belonging to the navy," I have the honor to observe, that the Naval Register for the year 1823, transmitted to the House of Representatives on the 8th instant, will, it is presumed, be found to contain the information required, so far as relates to the names and grade of the officers, and the duties each is performing, as it shows to what navy yard, naval station, or cruising vessel, each officer is attached; and whether on furlough, or awaiting orders for active service.—[See No. 219.]

In reply to the second clause of the resolution, I have the honor to enclose a statement showing the number of commissioned and warrant officers, of each different grade, necessary to command, in active service, the vessels of war at this time belonging to the navy, including those afloat, and those on the stocks and building.

All which is respectfully submitted.

SMITH THOMPSON.

The Hon. the SPEAKER of the House of Representatives.
