## ORDER OF PRECEDENCE OF LINE AND STAFF OFFICERS ON THE ACTIVE LIST OF THE NAVY, ORIGINALLY COMMISSIONED AS OFFICERS PRIOR TO MARCH 5, 1913.

NOTE.—All *line* officers of the same rank take precedence with each other according to their respective dates of commission in such rank. All *staff* officers of the same rank take precedence with each other according to their respective dates of commission in such rank. All *line* officers appointed to the Naval Academy or commissioned as officers of the Navy on or before March 4, 1913, take precedence with *staff* officers of the same rank who were commissioned on or before that date, according to length of service in the Navy. When officers of the line and staff are associated officially, so that the length-of-service rule as between line and staff officers conflicts with the date of commission rule as between staff officers or the date of commission rule as between line officers, then the date of commission rule governs for all officers so associated. Such association of officers must be of an official character, such as courts, boards, official functions, and official ceremonies. The constructive date of precedence assigned officers is the same as the date of precedence of the senior officer of the rank next below on the date of this publication. Officers who as so assigned such constructive dates of precedence will successively take the new dates of precedence of officers who become senior in the rank next below until their original dates of precedence are reached.

All *line* and *staff* officers of the same rank originally commissioned as officers of the Navy since March 4, 1913, take precedence with each according to their respective dates of commission therein.

Officers commissioned in accordance with the provisions of the act of June 4, 1920, take precedence in accordance with their arrangement in the table of "Running mates."

ORDER OF PRECEDENCE OF LINE AND STAFF OFFICERS.

## TABLE OF "RUNNING MATES."

The following table shows the staff officers next after the line officers who are their running mates for promotion purposes, to and including the rank of lieutenant, under the act of August 29, 1916.

A newly commissioned staff officer is, upon entry into the service, assigned as a running mate the then junior line officer of the same rank, who, while in the active list, will continue as such running mate, until promotion to, and including, the rank of lieutenant commander. This rule has no application to the officers of the Chaplain Corps shown in the table; their names are included for purposes of precedence only. The separation from the active list of such line officer will result in assigning as a new running mate the next senior officer of the line.

Officers commissioned in accordance with the provisions of the act of 4 June, 1920, take precedence according to their arrangement in this table.

**COMMON LIST FOR THE PURPOSE OF ADVANCEMENT IN RANK TO  
AND INCLUDING THE GRADE OF COLONEL OF COMMISSIONED  
OFFICERS OF THE LINE AND STAFF OF THE MARINE CORPS.**

[NOTE.—Extract from act of Aug. 29, 1916: "That for the purpose of advancement in rank to and including the grade of colonel, all commissioned officers of the line and staff of the Marine Corps shall be placed on a common list in the order of seniority each would hold had he remained continuously in the line. All advancements in rank to captain, major, lieutenant colonel, and colonel shall, subject to the usual examinations, be made from officers with the next junior respective rank, whether of the line or staff, in the order in which their names appear on said list."

This list should be used by general courts-martial in adjudging sentences of loss of numbers in cases of officers of the ranks of lieutenant colonel and major.

Captains and first lieutenants are not shown in this list by reason of the fact that there are no officers of the permanent staff in said grades. Their names appear in the proper order in the body of the register.]
