TABLE OF RUNNING MATES

RULES FOR DETERMINING PRECEDENCE OF ALL OFFICERS OF STAFF CORPS

(a) When of the same rank as their running mates or of the rank for which their running mates have been selected, staff officers take precedence with all other line and staff officers of the same rank from the dates stated in the commissions or which in due course will be stated in the commissions of their running mates in said rank, and ahead of all line officers junior to their respective running mates.

(b) When of a rank higher than that held by their running mates and until their running mates have been selected for the higher rank, staff officers take precedence with all other line and staff officers of the same rank in accordance with the date stated in the commission of the junior line officer in such higher rank.

(c) When of a rank lower than that held by their running mates, staff officers take precedence with all line and staff officers of the same rank in accordance with the dates stated in the commissions that had been held by their running mates in such lower rank, and ahead of all line officers in such rank who were junior therein to their respective running mates.

(d) Except as otherwise provided in these rules and whenever a conflict arises, officers of the line and staff corps having the same rank and the same date of precedence in that rank take precedence in the following order: (1) Line officers; (2) medical officers; (3) officers of the supply corps; (4) chaplains; (5) naval constructors; (6) civil engineers; (7) dental officers.

(e) Staff officers assigned new running mates since June 10, 1926, have, with respect to other staff officers who also have as their running mates the new running mates so assigned, the precedence held by them prior to the assignment of such new running mates.

NOTE.—The absence of a date of precedence opposite the name of any line officer in this table indicates that such line officer is serving in a rank higher or lower than that held by the staff officers to whom he has been assigned as a running mate.

Any officer below the grade of major required to be mounted shall receive \$150 per annum additional if he provides one suitable mount at his own expense, and \$200 if he provides two mounts. (Act May 11, 1906.) (Suspended for fiscal year 1935.)
