Commissioned and Warrant Officers of the United States Navy and Marine Corps

JULY 1, 1945

NAV PERS 15,018

UNITED STATES
GOVERNMENT PRINTING OFFICE
WASHINGTON : 1945

NOTES

1. In view of Public Law 758—77th Congress, prior service for pay is not shown in this Navy Register. Disbursing Officers are authorized to accept an officer's own statement of his service, which will be verified by the Bureau at a later date.

2–a. With reference to permanent officers of the line on the active list of the Navy who are not graduates of the Naval Academy, and to all permanent officers of the Staff Corps, and all permanent warrant officers, the date of acceptance of permanent appointment is shown in the column headed "Date of entry" in lieu of the date of rank on original appointment. This procedure is followed in view of the fact that the date of acceptance of appointment is the actual date of entry.

2–b. For all commissioned personnel serving under temporary appointments, and who do not hold permanent officer rank, the date of entry is the date the original temporary appointment to commissioned rank was made by the President; for warrant personnel serving under temporary appointments, the date of entry is the date the temporary warrant was made by the President.

3. File (jacket) numbers appear in the Index of this Register following the names of the officers. Attention is invited to the fact that in all communications concerning officers, the file number is used in lieu of the signal number.

4. Distinctions shown in this Register are those issued and recorded up to and including 1 May 1945.

5. Errors or omissions should be immediately reported to the Bureau of Naval Personnel by the officer concerned.
